NATIONAL YOUTH CONCERT BAND

Welcome to the National Youth Concert Band!

The NYCB is an exciting and challenging music group for wind, brass and percussion players aged 12 to 18.

Directed by Jonathan Parkes and a team of industry leading musicians and educators, the National Youth Concert Band gives students a unique opportunity to play, develop and perform with other talented musicians of a similar age and calibre.

Covering a vast range of repertoire and with intensive expert tuition in each individual instrument, as well as some fun and games in between, the annual residential course is an unforgettable experience for young musicians around the country.

Applications are open now for our Easter 2019 course! If you'd like to join us, please go to our new website or Facebook page for more information on how to apply and audition.
